01 FC:1453 1300.00 CH PETITION TO REVIVE UNINTENTIONALLY ABANDONED
APPLICATION UNDER 37 CFR 1.137(b)

Commissioner for Patents
Washington, D.C. 20231

Sir:

This application became abandoned for applicants' alleged failure to respond to the Office Action to which the Notice of Abandonment mailed December 11, 2002, refers.

This application was unintentionally abandoned for the following reasons. On August 9, 2002, an associate power of attorney was filed via a facsimile sent to Examiner Hon for entry in this application. Further, on August 22, 2002, a response was filed via a facsimile to Examiner Hon for further consideration. These documents were not entered. Copies of each document, along with the facsimile transmission receipts is attached hereto.

Further, the docket clerk for applicants' representative inadvertently docketed a continuation of this application, filed under 37 CFR 1.53(b), as a continuing application under 37 CFR 1.53(d). Due to this error, applicants did not timely file a notice of appeal.

Since applicants representative believed that a response was timely filed, there is no delay to explain, pursuant to 37 CFR 1.137(b)(3). Further, no terminal disclaimer is required, as this utility application was filed after June 8, 1995. The Commissioner is authorized to charge the petition fee under 37 CFR 1.17(m) to Deposit Account No. 03-1952 referencing docket no. 530172000100.

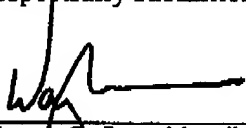

For the reasons stated herein, applicants respectfully request that this unintentionally abandoned application be revived and the response and amendment dated August 22, 2002 be entered and considered.

In the event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 530172000100.

Respectfully submitted,

Dated: March 4, 2004
